

WELCOME

If you are a first time visitor please fill out one of our **Information Cards** available at the Information Center or in the Sanctuary. We want to thank you for joining us today as we celebrate God's grace and goodness together. Please be sure to introduce yourself to us and thanks again for coming.

TODAY:

We welcome our **Summer Explosion Day Camp** leader, **Emily Scott** this morning. SEDC starts tomorrow, June 30, and continues daily, 9:00AM-4:30 PM through to Friday, August 22. Let's pray for Emily and the SEDC leadership team and all the children who will be registered for this year's camp.

We will continue with our third sermon in our present series "**Messages from the Message**" (Christ's Sermon on the Mount) (Matt. 5)

****Prayer Meeting**:** Wednesday, **7-8 PM**, Please join us as we meditate on Scripture, worship, and call on the name of the Lord.

Prayer is our expression of FAITH, HOPE, and PATIENCE in the Lord. We must not fail to make time for personal and corporate prayer.

"And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."
(Eph.6:18)

JUST FOR KIDS

During the summer months our children will gather for **Kid's Summer Praise and Worship** at 10:00 AM. After worship they will head outside on the church property to enjoy activities, supervised by our workers. Returning inside they will have a snack and gather for a Bible lesson.

Nursery is available during the worship service, led by Len Hoh (Chan).

Parents please note that your child needs to be signed-in and signed-out every Sunday.

SHARING GOD'S LOVE

Through **ERDO** and our Overseas Missions Department, the Pentecostal Assemblies of Canada contributed over 21 million dollars in aid and outreach overseas in 2013.

Sharing is Caring! Please remember to bring one non-perishable food item for "**We Care**" **Communion Sunday** next week, **July 6**.

MANNA

The change in weather patterns around the world has caught the attention of climatologists and has triggered much debate as to causation. Millions of people have been directly affected with the shifts. The loss of crops, devastation to infrastructure, and the interruption to the regular flow of society has been crippling to local and global economies. The loss of precious human lives cannot be measured. There seems to be a weather related disaster every day, somewhere in the world. Whatever the cause may be, most agree that our weather systems have changed dramatically.

It's not just the climate that has undergone change; there has also been a noticeable variation with moral values in our world. There has been a defined shift away from Biblical values. Many things that were once reckoned as wrong are often deemed as right. The word "right" is connected to the larger word "righteous" or "righteousness". It's a Biblical word and it has reference to belief, lifestyle, and God's desire for creation. An unrighteous pattern in life brings a loss of edification, virtue, wholesomeness, and societal stability. The Scripture's declare "**Righteousness exalts a nation, but sin is a disgrace to any people.**" As we celebrate Canada Day this week let's make the words of our National Anthem, also our prayer "**God keep our land...**"
