

WELCOME

If you are a first time visitor please fill out one of our **Information Cards** available at the Information Center or in the Sanctuary. We want to thank you for joining us today as we celebrate God's grace and goodness together. Please be sure to introduce yourself to us and thanks again for coming.

TODAY:

We are continuing with our series "**Renewal Through Romans**". We are looking at the fifth chapter as we consider the three great and basic needs in every human heart. The Fall of Humanity, as described in Holy Scripture, left us lacking vital inward qualities. The Apostle Paul's entire point is simple; the good news is that Jesus Christ fills us abundantly with Himself and meets these essentials.

Wed. night Prayer Meeting Oct. 22, at 7:00 PM.

I encourage you to find the time to join us and pray for your family and our church family. Come with your Bible and let's worship and believe God together. **Prayer, fellowship, and the Word make a BIG difference!**

A little brainstorming about the future!

JUST FOR KIDS

Our children join us for worship in the main Sanctuary until they are called to the altar area for prayer. They will then attend Sunday School and will be supervised by our capable workers. Their special Bible lesson will conclude at the same time as the adult service.

Nursery is also supervised and available when the children are dismissed from the sanctuary.

Parents please note that your child needs to be signed-in and signed-out every Sunday.

MANNA

The Murders of two Canadian soldiers, on home soil during this past week has caused nation-wide grief, fear, and anger. Most of us find it hard to comprehend that such appalling and irrational acts could ever be committed in our country. My heart was filled with sorrow for both families of these slain soldiers. What a jolt it must have been for their loved ones to hear the shocking news; murdered in cold blood, on a military base and at a war memorial in the nation's capital city. While watching the videos and the accounts of the incidents on television, I could actually feel the trepidation and bewilderment that the people encountered who were close to the crime scenes. We all concluded this week that terrorism, in a most despicable way came to Canada.

The whole situation makes me appreciative to God for our country, democracy, and freedom. Although the loss was tragic it could have been much worse. We need to be thankful to God for the many agencies in Canada that allow us to live in peace every day. This past week reminds us that we are blessed and should never take for granted, what we have.

Paul's instruction for worship included prayer for government: "***I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone-for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.***" (1 Tim. 2: 1&2)

Part of our worship experience is to be grateful for those who govern our land. They carry a heavy load of responsibility and we are to pray for them and make intercession on their behalf so that they can maintain order and peace. I think the greatest thing that leaders need is wisdom. We can ask God to give them needed wisdom.
