JUST FOR KIDS

Our children join us for worship in the main Sanctuary until they are called to the altar area for prayer. They will then attend Sunday School and will be supervised by our capable workers. Their special Bible lesson will conclude at the same time as the adult service.

On the first Sunday of each month (Communion Sunday) our children will stay with their parents in the main sanctuary for the entire service. Nursery will function as usual and be available every Sunday.

Nursery is supervised and available when the children are dismissed from the sanctuary.

We recognize needs around us through the lens of our talents, giftings, and resources. What we are able to accomplish for the Lord is basically apprehended through what we deeply desire to do and what we are capable of doing. We hear and see certain things in such a way that others may not. That is ok because we are wired with different giftings, talents, and desires. That is what makes the Body of Christ so wonderful, unique, and efficient.

Moses, Queen Esther, Nehemiah, Deacon Philip, Apostle Paul, and Chuck Colson, just to mention a few prominent believers, all had something in common. They heard and saw the need in their particular situations and they were compelled to abandon their comfort zones for a greater cause; the lives and needs of others. They applied themselves to God's call and used what He gave them for His glory. In the face of incredible odds they saw inconceivable victory. People all around us have needs! What they ultimately need is the Lord. Continue to release the gifts, talents, and resources that the Lord has blessed you with and pour love into the needs of others. Then tell them about how Christ poured love, blessing, and forgiveness into your life and met your greatest need.
