JUST FOR KIDS

Our children join us for worship in the main Sanctuary until they are called to the altar area for prayer. They will then attend Sunday School and will be supervised by our capable workers. Their special Bible lesson will conclude at the same time as the adult service.

On the first Sunday of each month (Communion Sunday) our children will stay with their parents in the main sanctuary for the entire service. Nursery will function as usual and be available every Sunday.

Nursery is supervised and available when the children are dismissed from the sanctuary.

I am happy that our church name includes the word "Community". It is my firm belief that every local assembly is called to impact their particular area with service and the beautiful message of Christ. Jesus Himself, was involved with his own village and surroundings. He served the people and He earned the right to be heard. His compassion for others was the talk of the town! He fed the hungry, confronted injustice, comforted the brokenhearted, helped those trapped in evil, spoke the truth in love, healed the sick, and met with parents and children. He was partnered and connected with the community where He lived.

I want to say how thankful I am for the ministry of "Summer Explosion Day Camp". This past week we had 39 children and I am so pleased with the wonderful impact this is making to the neighborhood of River Oaks. I am including an excerpt from a recent e-mail that we received from one of the parents:

"I register my kids for 2 or 3 different camps every year. This is the only one that they have said I can register them for the entire 8 weeks and they would still be very happy. I was honestly impressed that one year later, they could remember Bible verses. The Bible teaches us that as we train children in the way of the Lord, they will not depart from it. I think you are the only camp that offers devotionals and Bible teachings over the entire summer in Oakville. We appreciate the dedication."

To God be all the glory!!
