JUST FOR KIDS

Our children join us for worship in the main Sanctuary until they are called to the altar area for prayer. They will then attend Sunday School and will be supervised by our capable workers. Their special Bible lesson will conclude at the same time as the adult service.

On the first Sunday of each month (Communion Sunday) our children will stay with their parents in the main sanctuary for the entire service. Nursery will function as usual and be available every Sunday.

Nursery is supervised and available when the children are dismissed from the sanctuary.

Kindness is a wonderful virtue of love; the evidence of Christ's love was constantly displayed in His kindness to others. Love is something like the wind, you can't see the wind but you can see the leaves in the trees moving, proving that the wind is real. Kindness is the activity that makes love real. The power of the wind can't help but display its evidence, something which is also true about love. It is nice to say "I love you" but acts of kindness make the statement real. The story of the Good Samaritan is a story of love displayed through kindness; sacrificial kindness! There is so much suffering in this world. Consequently so many people are in need of seeing love in action. Many Christian Cathedrals have erected crosses at the top of their steeples; soaring into the atmosphere. I wonder how often we think about what it truly means. The Cross of Christ symbolizes God's love displayed in the greatest act of kindness ever demonstrated. We are called to love with sacrificial kindness.
